Watch Your Wife

Keep your eye on your wife. Not to keep some other man from stealing her—for wives worth having are not stealable.

But keep her contented, for that will help you to keep cheerful. And to keep her cheerful for that will keep her pretty.

To keep her pretty is to help yourself keep your eyes off other women, a very necessary thing for a married man if he would be happy.

Keep in mind the girl you led to the altar—for your wife is that girl; just as good, just as lovable, just as sincere, just as honest.

Keep in mind also that you were ready to do almost anything to get her—and so you are reminded that it's up to you to make some little sacrifice in order to keep her.

Just keep your eye on your wife and do your share toward making a success of your greatest business undertaking—the business of being a happy married man.

\$200 REWARD

State Puts up \$200 For Arrest and Conviction of Murderer

Judge Sampson received a proclamation from Governor McCreary the first of the week, offering a reward of \$200 for the arrest and conviction of the murderer of James Kearney, which occurred at Corbin a few days ago.

Kearney was not a resident of Corbin, but was a cripple traveling through the country selling pencils, and had gone down in the railroad yards to catch a train. He said he had gone to sleep and was awakened by some one poking him in the breast with a pistol. He was shot three times in the breast and lived about two hours after he was found.

"Backache! Me?— Oh No. -- Not Now."

No Backache or Kidney Trouble or Rheumatism for ROOT JUICE Users—Guaranteed.

"Backache! Me?— Oh No. -- Not Now." I could scream with joy and happiness to think that I am getting up every morning and go about my day without a sign of that aching "backache." That's what people are saying who have suffered from weak kidneys, backache and rheumatism for years. No wonder. You'll feel like screaming with joy yourself. You've suffered with your aching kidneys and back, for so long it has become almost a part of your life. But, oh, wait till you experience the glorious relief of being completely and entirely rid of it.

"Listen! You've wasted time and money enough trying uncertain things, you've suffered already longer than there is any need of. Stop stop. ROOT JUICE, pure, vegetable, harmless, safe, guaranteed ROOT JUICE is going to give you the grandest cure you ever experienced in all the days of your life. Of course, you'll have to do your part and take it. Even ROOT JUICE can't help you until it gets into your system, but if you have any idea what real relief will be like, you'll waste no time getting it. You're missing a lot of comfort, joy, real joy and happiness every minute you delay using it and you're enduring a lot of needless suffering. You'll see.

At any drug store you can get a large bottle of ROOT JUICE for a dollar. That dollar buys relief that is worth a hundred dollars to anybody who knows what rheumatism, backache and kidney misery is. Remember that dollar not only pays for ROOT JUICE but it pays for relief. You've got to get relief or get your dollar back. That's how good ROOT JUICE is. No relief no pay, that's the understanding.

Don't put off ROOT JUICE and relief. Don't put off and don't let anybody tell you of something else that's better. Nothing ever made me any better, more than ROOT JUICE. Try ROOT JUICE for ten days, and save yourself any more suffering. If you are so fortunate as to have escaped these life-darkening miseries, for aches and pains, tell your suffering friends or acquaintances what this grand medicine will do. You'll surely gain his or her everlasting gratitude.

Barbourville People are Shown the Way Out

Kidney diseases are very dangerous. They come on silently, gain ground rapidly, and cause thousands of deaths that could have been prevented by proper treatment in the beginning. Nature gives early warnings of kidney disease—backache, twinges of pain when stooping or lifting, headaches and urinary disorders.

If these symptoms are unheeded, there is grave danger of dropsy or possible Bright's disease.

Doan's Kidney Pills have earned a reputation for their effectiveness in kidney troubles, and are known and recommended the world over. Barbourville readers should find convincing proof in the following statement. It's from a citizen of this locality.

Mrs. Huston Hobbs, Cumberland Ave., Pineville, Ky., says: "The action of my kidneys was irregular and the kidney secretions contained sediment. My head and back ached and often I was nervous. Doan's Kidney Pills brought me great relief in a short time. The pains left and kidneys became regular in action."

WILLARD HOTEL

H. D. LINDSAY, Manager.

When the trials of life, real and fancied, come upon us, we throw open the channels of our mind to dark reflection and deep foreboding of evil. We call up every small trivial thing that we think may have an evil bearing on our happiness, we magnify it and give a value it does not possess.

But they are fruitful only to make us the more miserable, and dark imaginings take the place of the real creation of the cheerful and healthful mind.

Every little passing shadow is construed by the unhealthy mind to be a veritable cloud of darkness which we imagine is destined to envelope our soul with its malignant influence. Soon we mistake even the changing light and color of the sun for shadow and in turn the shadows for clouds of darkest night. Then light and love and life have disappeared. Faces once sweet, friendships once unchallenged become the objects of our dearest friends, we even doubt our selves. In that state we can not see the good.

This mental condition comes to be our soul, our life. Then all the beauties of life disappear, we are wrapped in a curtain of gloom, become melancholy and morose. Gone, all the pleasure, the beauty, the joy of life, forever. The soul is dead.

"Hope." Is not the word it's self an inspiration? Does it not radiate an idea of "Faith?" Is it not natural to associate the term with life? What could life be without hope? An emptiness, a colorless term. Could life exist if it were absolutely without hope? We think not. The two are too closely associated. Imagine a life without hope and faith, to look out into the dark unknown, that dark mysterious somewhere without that confidence in the goodness and providence of the Master Spirit, that, indeed, would be a terrible outlook.

When hope is our soul, when cheer is in our heart we are always looking toward the light with confidence in the natural goodness, in the unfailing providence of the master mind. Then the shadows may come but if we are facing the light they fall harmlessly behind, broken by the arrow shaft of love.

The cheerful man with hope and love in his heart is able to laugh at gloom, to minimize the pain, to mock at death. His healthy mind tells him that his present state is but transitory and that death is not a sting but merely the release of the soul, which is life, that it may seek its God, the fountain head of life, and love, and light.
